

OUTDOOR CAMP STOVE

MODEL: CLCS-02SS

Are you in for camping?

- Piezoelectric ignition, easy to operate
- Enamel stove, with double glass at the door, and the burner's base, resistant to the high temperatures and easy to clean
- Temperature display, which shows the exact inner temperature, for ideal cooking
- Low temperature of outer body due to the glass fibre heat insulation material
- With handles, easy to move and carry
- With folding cover-windscreen for the protection of the burners from the wind
- Brass burner cap and #304 stainless steel body
- With flame out protection
- With two oven racks and oven tray
- With Handle Bag, gas hose and regulator
- Ideal for outdoor use, camping, caravans etc
